

LCWR Immigration Coalition] Pledge to FAST to Protect Deferred Action for Childhood Arrivals program (DACA) and the Temporary Protection Status (TPS)

Dear Friends,

Please join our friends at the Franciscan Action Network (FAN) in supporting our immigrant neighbors by fasting and praying to protect the Deferred Action for Childhood Arrivals program (DACA) and the Temporary Protection Status (TPS) programs.

For over a week young people and their families from across the country have been standing vigil in front of the White House for 24 hours a day. Day after day, they've collected petition signatures and talk with passersby and tourists about why they are there: to gain the attention of the Trump administration and demand protection of the Deferred Action for Childhood Arrivals program (DACA) and the Temporary Protection Status (TPS) programs.

On September 5th the Trump Administration could decide to end DACA and put young people at risk

of deportation, tearing many families apart. In the final days leading up to this deadline, Franciscan Action Network (FAN) and other faith-based faith based partners have proposed a week of fasting and prayer in support of the vigil-ers. From **August 30th to September 5th**, we will be fasting, praying, and continuing to bring attention to DACA and TPS.

[Sign up today to fast in solidarity in support of DACA and TPS.](#)

These young people are passionate Americans and they need our support and assistance. Just this week, a statement was released saying, "For these young people, DACA means the ability to work and go to school without fear of deportation and dream of a better future - for their families and for our country."

Show Dreamers you believe in them by [signing up to fast](#) between August 30-September 5.

Blessings,

Ann Scholz
