*“PUT YOUR STEADFAST SPIRIT WITHIN ME”*

GOAL #6: Foster Ecological Spirituality

“The entire universe speaks of God’s love, God’s boundless affection for us. Soil, water, mountains: everything is, as it were, a caress of God.” (LS 84)

“Let ours be a time remembered for the awakening of a new reverence for life, the firm resolve to achieve sustainability, the quickening of the struggle for justice and peace, and the joyful celebration of life.” (LS 207)

*“...to have them all engraved in your heart, one by one, for this is how real love acts and works.”*

*Angela Merici*

This week, practice seeing God’s caress in each creature you encounter, the beauties of nature, as well as two legged creatures in all their imperfections.....

Recall that each one, no matter what, is beloved of God and is engraved on God’s heart.

Notice how your own heart might be softened by this reminder of God’s boundless love.
