

Living Laudato Si Goals Each Day

<p>Sunday July 25</p>		<p>David Attenborough’s “Life on Our Planet” trailer offers beauty, climate info and solutions. Well worth it!</p>
<p>Monday July 26</p>		<p>Pope Francis tells us the poor will be affected ‘first and worst.’ The Global Climate Risk Index link demonstrates this.</p>
<p>Tuesday July 27</p>		<p>Externalized costs are created by companies with no penalty, but borne by local communities (water/air pollution).</p>
<p>Wednesday July 28</p>		<p>“Memories not momentos.” Focus on experiences with loved ones.</p>
<p>Thursday July 29</p>		<p>Count the number of butterflies, bees and worms – the more you see, the healthier your ecosystem!</p>
<p>Friday July 30</p>		<p>Elijah encounters God in a gentle breeze. Recognize that God is talking to us too through the gentle breezes.</p>
<p>Saturday July 31</p>		<p>Urge your elected officials to support a plastic bag ban. 40% of plastic made annually is single-use.</p>
