

# JPIC

*“Put your steadfast spirit within me”*

*Laudato Si...*

*Put simply, it is a matter of redefining our notion of progress. A technological and economic development which does not leave in its wake a better world and an integrally higher quality of life cannot be considered progress.*  
(#194)

*How earnestly then, must you beg God to enlighten you, and and direct you and teach you what you are to do...*

*Angela – Prologue to the Counsels*

What is one way I can encourage a “clean” economy – one that does not pollute the air, water and soil or injure people?
